

## COURSE ACCESS INSTRUCTIONS:

Copy the password below with no spaces before or after

**PassItNow**

Go to this page <https://passthesafeexam.com/course-content/>

Paste the password into the password field on the web page.

**If it seems you are unable to log in** the problems are *ALWAYS* the same. Either...

- You typed the password and mistyped something
- You didn't capitalize letters in the password that you should have
- You copied a space before or after the password
- You made up a password (why would you do that?)
